Re: **Notice of Local Rules Revisions Adopted by the U.S. District Court**

Dear Mr. Johnson:

This letter is to notify you that the District Court, as of November 18, 2009 has adopted the proposed Amendments to the Local Rules of Practice (Civil and Criminal) of the United States District Court for the District of Colorado. The Amended Local Rules become effective December 1, 2009. They may be found on the court's website at: <http://www.cod.uscourts.gov/LocalRules/Rules.aspx>. The rules are available on the website as an entire set, with a hyperlinked table of contents, index, appendices and attachments.

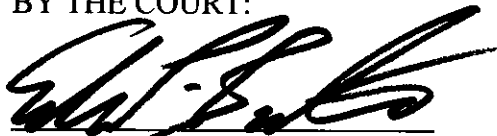

The Advisory Committee on the Local Rules of Practice also invites your participation in the 2010 Local Rules revision cycle. The Advisory Committee welcomes comments from everyone working in and for the Court, court users, members of the bar and the public at large. Comments and suggestions for rule revisions and additions should be sent to and will be collected in a central e-mail clearinghouse. The clearinghouse address is: LocalRule_Comments@cod.uscourts.gov. This address will be posted on the Local Rules page on the court's website.

Although comments can be sent at any time, those received by July 1, 2010 will be considered in the 2010 cycle. The Advisory Committee will review such comments, and draft proposed revisions for court review and, if endorsed, then published for public review and comment period during September 2010. After consideration of comments on the proposed rule revisions, the proposed rules with any necessary changes will be considered by the court, with an amended effective date of December 1, 2010. This date corresponds with the effective date of Federal Rule changes.

The Advisory Committee on the Local Rules of Practice looks forward to your input during the upcoming cycle of local rule revisions.

Dated at Denver, Colorado, this 20th day of November, 2009.
